## **Mission**

Based on our vision, we have missions to:

1. Increase students ' confidence by providing Mandarin skills.
2. Provide easy, fun, and effective education programs for students.
3. Have educators who are competent in their field.
4. Partner with other educational institutions in Mandarin educational development.

# Services

## **1.Mandarin Educational Program**

Kuaile Mandarin is a Mandarin language course for children to adults. As for now, Kuaile Mandarin has onsite/offline classes and online classes. Kuaile Mandarin can tailor learning material to the needs of the students and the wishes of the parents. Here are some of our programs:

- Intensive Conversation Course
- Chinese class based on Singapore Curriculum
- Chinese class based on Beijing Curriculum
- HSK level 1-6 preparation
- Tutoring for school's Mandarin lesson

## 2.Mandarin Teacher Outsourcing

Kuaile Mandarin also offers outsourcing services by channeling Mandarin teachers (laoshi) to international schools. Learning materials could be provided by Kuaile Mandarin or using school's curriculum. Kuaile Mandarin's laoshi are capable, highly skilled, and have a good background in Mandarin.

### Our Clients

**Why  
Kuai le Mandarin?**

### **a. Best quality educator**

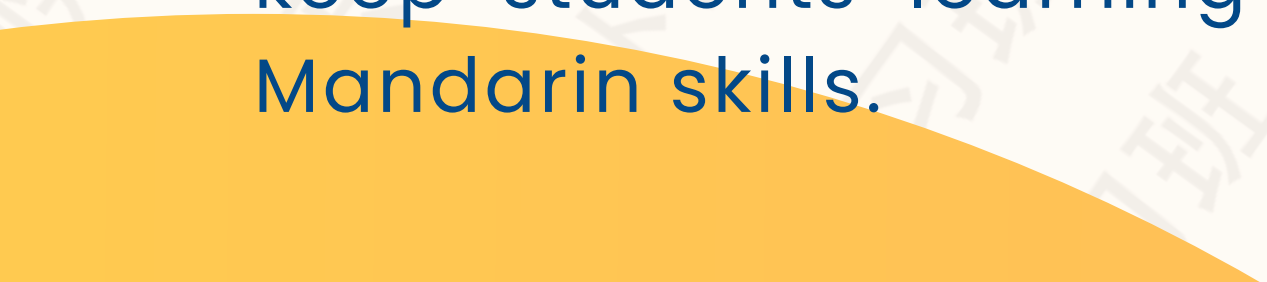

Kuaile Mandarin has been established over 10 years, so we already had qualification standards for our educators. Kuaile Mandarin's laoshi are experienced educators and capable in their field. Laoshi can be a good teacher and study partner for their students.

### **b. Interactive and fun learning methods**

Kuaile Mandarin has our own curriculum and interactive learning methods that make the students happy and enjoy the learning process. Learning Mandarin not only refers to textbooks and school lesson, but also came from interesting activities and general knowledge about Chinese culture.

### **c. Two classes preferences**

At first Kuaile Mandarin only has onsite/offline classes, but due to pandemic Kuaile Mandarin adapts and provides online classes. Kuaile Mandarin gives two options to keep students learning Mandarin effectively and did not stop developing their Mandarin skills.
